

Machen Miggly Moos Newsletter

Issue 1

January 2010

Welcome

To the first bi-monthly edition of the Machen Miggly Moos newsletter, sorry Crockett just because it's I've mentioned bi doesn't mean there's any photos of forty something grannies getting friendly with one another. The main aim of this newsletter is too inform the Moos of any rides, awards and news perhaps missed by non-attendance of a Wednesday's night ride. Read on...

New Captain & Vice

The start of 2010 brings with it a new Captain Vice, a big thank you however should be given to the outgoing pairing of Steve Knott and Phil Howells, last year seen the introduction of many successful events hosted by the pair and I'm sure you all agree that they done a tremendous job herding the Moos – however this is the first time a captain has come outside of the village and thankfully this has been readdressed with the new appointments – keep it in the village! (only joking Steve and Roger).

New Years Day Ride

Please note there will be a New Years ride to welcome in the new Moo Year starting at 11 o'clock at the bus station near the SPAR shop. A few cheeky ones on the way around and a chance for all to blow away some of the cobwebs from the previous evenings partying.
