April 2010

March & April in Brief

During March we had Wednesday night rides from Gaz, Dai the Eye, Griff and Harty.

To summarise April we had rides taken by Scripsy, Jim and Jock and second instalment of the Miggly Moo Sports-night, hopefully fun was had by all the entrants – On a different note a speedy recovery goes to Wrighty and Harty after their falls!

April also saw the introduction of another Captain's Away day – this time hosted by Daf, around 12 riders spent the day in the Darren in Risca, sorry riding first then in the Darren. The captain will be announcing another away day soon...

Apparently she likes biking – watch this space!
